

Portable Ozone Steam Sauna

Immune System Stimulation:

Oxygenation of all the tissues, organs, and cells of the body, which in turn boosts the immune system and enhances blood circulation.

Fights Bacteria & Viruses:

Ozone removes bacteria and viruses from blood, as it does with water.

Detoxification::

Ozone Technology assists with the body's natural detoxifying process, working in combination with the heat generated by the sauna. It is estimated that as much as 30% of bodily waste is eliminated by the way of perspiration.

Wound Disinfection & Skin Disorders:

External use of Ozone is very effective in treating burns, acne, ulcers, open sores and wounds, fungus and skin disorders, promotes healing, and improves the health of your skin.

Exercise & Oxygen Therapy:

Ozone increases the production of ATP - usable energy - and eliminates large amounts of lactic acid, giving athletes a faster recovery time after exercising. It also relieves inflammation, and reduce ache and stress on muscles and joints.

Cardiovascular Disorders, Fatigue and Sleeping Disorders:

Ozone Technology is the fastest known method of treatment for patients with heart diseases, such as cardiovascular complexities and fatigue.

Assists With:

Migraines, Colds & Flu, Diabetes 1 & 2, Gout & Arthritis Sleeping Disorders, Allergies & asthma, Depression & Anxiety, Neurological Disorders, Anti-Aging & Skin Disease, Stress & Hypertension, Muscle-Skeleton Disorders, Pain & Inflammation, Oxygen metabolism and Sports Injuries
