

# ALUMINIUM MASSAGE BED

## Features and technical information:

- Aluminium Frame
- Black and White Stylish PU Leather
- Oil and Moisture Resistant
- Height Adjustable
- Backlit Function
- Portable
- High Density Foam
- Head and Armrests
- Arm sling

Our Deluxe Massage Bed is designed to be both elegant in design, yet functional for both static and portable use. Crafted from Aluminium, the deluxe massage bed is sturdy as well as light weight – without sacrificing on the 70cm size requirement for a comfortable working area – with additional cable support to prevent extensive table movement during a massage.

The black and white tone provides an elegant look, and arm rests ensure that your clients will be able to rest comfortable during therapy. The foam is a comfortable 4cm, and has three sections with an adjustable backrest for your client's comfort. The Massage Table is completely collapsible – meaning you can use it at your spa, or on the move for at-home services!

|                 |                                 |
