

EXCLUSIVE OZONE CAPSULE

Change the way you look at Ozone

When it comes to Ozone Technology, we in the wellness industry have a saying: **Built for Wellness. Backed by Science.** This is more than a bold claim. It's a statement of fact. The Ozone Capsule

was developed with a single purpose in mind – strategic wellness and vitality. It provides some of the top alternative health and beauty modalities in the world!

THE ULTIMATE WELLNESS SYSTEM THAT DELIVERS RESULTS THAT MATTER.

Features

Transdermal Ozone

When Ozone is introduced into the blood, it reacts with oxidizable substrates, killing viruses, bacteria and fungi, enhances blood circulation, and stimulates the Oxygen metabolism of the body.

Steam Therapy

Enjoy the unique benefits of steam therapy for the ultimate detox and soothing session.

Hyperthermia

Hyperthermia - mimics a fever state resulting in an effective natural process of detoxifying and stimulating healing processes, with all the same healing effects as the natural fever.

Far Infrared

Far Infrared is a low energy Technology where waves of light penetrate the human body, transforming into heat energy to gently elevate temperature and activate major bodily functions. Benefits include: reduced muscle & joint pain, lower hypertension, sooth digestive issues, & much more.

Headrest

Whilst enjoying your Ozone session, the head protrudes from the system whilst being supported by a headrest

Oxygen Concentrator

With the use of an Oxygen Concentrator, the Ozone conversion is pure and effective.

Four caster wheels

Move your unit around with the support of four caster wheels, anywhere you want.

Capacity

The Exclusive Ozone Capsule has a generous weight capacity of 200kg and Length capacity of 2.2 meters

Essential Oil Infusions

The Essential oils are infused with the steam as it fills the chamber, making this a transdermal application. Used together has many health benefits.

5 Seat Adjustment settings

Easily adjust the seat with 5 seat settings, to accommodate all length requirements
