

Phillips Simply Go Mini

SimplyGo Mini is a reliable, powerful choice in lightweight portable oxygen concentrators

Be simply confident on the go

SimplyGo Mini is a reliable, powerful choice in lightweight portable oxygen concentrators

Are you living your life? Taking trips to the store, museum or a musical? Spending weekends away with friends and family? If you use portable oxygen, SimplyGo Mini is a powerful choice for a reliable and lightweight portable oxygen concentrator that can help you do what you want, when you want

RELIABILITY YOU CAN COUNT ON

We built SimplyGo Mini to be tough. During development, SimplyGo Mini was rigorously tested in real world environments including impacts, vibrations, and temperatures to deliver reliable performance day in and day out. Simply portable

From a walk in the park to an overnight trip, SimplyGo Mini may help you remain active and provide you with flexibility while on the go.

YOU HAVE THE POWER

SimplyGo Mini offers easy-to-change lithium ion battery options with standard AC and DC power cords that add convenience and flexibility.

Choose the power option that works best for your lifestyle needs
