

POPIA CONSENT FORM

Personal Protection of Information Act 4 of 2013

According to the POPI Act, Global Wellness Enterprises is required to get your consent to collect, store, and manage the data that you provide to us. We have collected your information through <Source>. Global Wellness Enterprises takes the protection of personal information seriously and is committed to complying with the Personal Protection of Information Act.

Consent to use personal information

By agreeing to the terms of this information consent form, you, hereby voluntarily authorize Global Wellness Enterprises to process your personal information. This means to receive, record, organize, update, retrieve, consult, and use your information. Also, it means the dissemination using transmission, distribution, to make available in any other form, linking as well as blocking, erasing, or destruction.

This consent is effective immediately and can be withdrawn in the future or where requested or required.

Personal information may only be processed if it is adequate, relevant, and not excessive, given the purpose for which it is processed, and if processing occurs by the relevant provisions of the POPI Act. The purpose of the processing of information must relate to the function and program activities of Global Wellness Enterprises.

In addition, you hereby acknowledge that Global Wellness Enterprises collects and processes personal information about the proper functioning, management, and governance of the organization as guided by the relevant laws of the country.

The type of information will depend on the purpose for which it is collected and will be processed for that purpose only.

In terms of section 11 of POPI, personal information may only be processed in the following circumstances:

- If the person/data subject, or a competent person where the data subject is a child, consents to the processing.
- If processing is necessary to carry out actions for the conclusion or performance of a contract to which the person/data subject is a party.
- If processing complies with an obligation imposed by law on the organization.
- If processing protects the legitimate interest of the person/data subject.
- If processing is necessary for the performance of a public law duty.
- If processing is necessary for pursuing the legitimate interests of the organization.

Your rights in terms of this consent

- The right to correct your information – When any of your information has changed or is incorrect, you may request that the information be updated. Global Wellness Enterprises will try to keep your information up to date.
- The right to know what information is being kept – You will also have the right to know how we manage and share your information.
- The right to withdraw your consent – You may at any given time withdraw your consent. This must be done in writing. A canceled or withdrawn consent will not affect any past or existing use of your information.

Consent to receive marketing or related information

By agreeing to the terms of this consent form, you expressly consent to the processing of your information for marketing purposes. You understand that by consenting, you may receive marketing materials, relevant to Global Wellness Enterprises and its partner programs, in the form of SMS, WhatsApp messages, emails, google surveys, etc. from the organization and its various departments and programs.

Permission to make personal information available on broadcast or social media platforms

By agreeing to the terms of this information form, you expressly consent to your personal information, including pictures, videos, and other written content created by the organization, and where you participate, be broadcasted on all relevant broadcasting and social media channels.

I hereby consent to personal information being made available for processing on all Global Wellness Enterprises broadcasting and digital platforms, including on all its product, program, and brand platforms.
